

I am an ICT Instructor. I have been one for the past ten years..For the fact that I worked for an organisation ,it has not been easy. The reason is that I have to do 8 to 5 and this has not allowed me to do any other things. In this article , I want to talk about the 10x ICT Instructor.

PS: Are you a Nigerian resident abroad and you need to send money to your loved ones back home ? The stress is over now! Send money to Nigeria using the MonieWorld app. It's fast, easy and has great rates! MonieWorld is powered by Moniepoint. Sign up with my link <https://spoo.me/iy8taz>

No matter the type of organisation where you work, if you are in Nigeria and you are relying on the classroom alone . you will never have enough.

if I look at my own salary alone, it is not even enough. I am not blaming the country but I will rather blame the economy. That is why an ICT Instructor has to leverage on his skills and create multiple sources of income for himself before he landed in debts

You just have [to have time for side hustles](#) if you really want to escape poverty.

## **The 10x ICT Instructor**

### **Who is a 10x ICT Instructor?**

A 10x ICT Instructor is not just someone who teaches computer skills, they are a transformational educator who combines technical mastery, modern teaching methods, and mentorship to produce 10x better learners in the ICT space.

They don't just transfer knowledge; they inspire, simplify, and empower students to become problem-solvers, innovators, and future-ready digital citizens.

### **Qualities of a 10x ICT Instructor**

#### **\$1 Deep Technical Mastery**

A good 10x Instructor has strong knowledge of ICT fundamentals (Networking, Databases, Software, Hardware, Cybersecurity, Cloud, AI, etc. He is not someone that relies on one skill.
